

# African Goddess Facial promotion:

All our skincare treatments focus on de-stressing, anti-aging cell renewal care. Rich in natural oils, vitamins and minerals, our velvety textured treatments nourish the skin to restore elasticity and softness, stimulating cell growth naturally and promotes a healthy glow establishing that 'Africology Radiance'.

Our therapeutic skincare treatments draw you into a space filled with aromas of healing rose, exotic jasmine, sensory neroli, soothing lavender and stimulating rosemary and eucalyptus. The skin is warmed gently with healing compresses and circulation is encouraged through deeply relaxing holistic and lymph massage techniques.
